f. Management’s perception of risk factors:-

The deposits accepted by the Company are unsecured and rank pari passu with the other unsecured liabilities of the Company. Rating assigned by 'Infomerics Valuation and Rating Pvt Ltd., is IVR BBB-/Negative dt 02-06-2023 which indicates "Securities with this rating are considered to have moderate degree of safety regarding timely servicing of financial obligations. Such securities carry moderate credit risk ".Members may take note of this while deciding on making deposits with the Company.

Demand for Yarn depends upon many external factors like cotton price, economic growth, international policies and textile development in the Country. The entire Spinning Industry is linked to these economic activities. Any slow down or changes in these activities will affect the yarn demand adversely. Similarly government policies for economy in general and Spinning Industry in particular can also impact the ‘demand’ for Yarn and the profitability of the Company.
